## 1 Week 4 (Netflix documentary and Assignment 2)

### 1.1 Q: What the APA style of writing is, what the Chicago manual style, and what's the difference?

- 1-2 Pages
- Email to MichaelCoard@msn.com
- Due Next Monday
- Double Space paper, 1-2 pages

### 1.2 "Separate is inherently unequal"

- Implement Brown 1 with "All the deliberate speed"
- Brown 4, When Topeka School District finally met the standards that the District Court mandated.
  - It wasn't until our lifetime (1998), that the 1954 case was addressed.

### 1.3 Documentary notes

- The U.S. has the highest rate of incarceration on the planet.
- Michelle Alexander, author of the Seminal, new Jim Crow.
- The film-maker brought the burning cross to realization.
- 1970 : The U.S. prison population was at 357,292.
  - ten years later, it jumps up to 514,000. (1980)
  - five years later, it jumps up to 760,100. (1985)

- five years later, it jumps up to 1.2 million (1990)
- From rhetoric to reality, from Nixon to Reagan, that's the true story on the War of Drugs.
  - Nixon talked about it, Reagan acted upon it.
- The Congressional Black Caucus jumped right in bed with Nixon/Reagan. They would see Drugs and Crime and say that's the problem, ignoring Education and other social factors
- If you're caught with powder cocaine than crack cocaine, one ounce of crack cocaine is equivalent in punishment as to having 100 ounce of powder cocaine.
